

We are a four piece party band from Chattanooga Tennessee.

Formed in 2014, we have since been gigging regularly and have been constantly refining and tuning our performances and set list. There is nothing that we love more than seeing people enjoying themselves at our show.

We love blending different styles of music into a rock format. We perform rock hits by great bands such as Journey, Metallica, Def Leopard, Kid Rock, AC/DC, God Smack, Guns And Roses, and Ratt just to name a few. When it comes to rock, we have it covered. We can also get the crowd dancing with hits by artists like Bruno Mars, Run DMC, The Beastie Boys, Flo-Rida, Salt -n- Pepa, K.C. And The Sunshine Band or Prince among many others. Our diverse song list appeals to everyone and keeps a crowd engaged to the end.

The music we play is diverse. You'll hear everything from the 60's to the present day. Rock, dance, rap, and country. Everything from Elvis Presley and Journey to Kid Rock and Run D.M.C. But, what is live music without a SHOW? We use a state of the art PA and lighting systems and we can bring any amount of sound and show that your budget will allow including LED walls and cold spark machines. We strive to make our show as visual as possible. This makes our shows memorable and helps us to maintain a crowd till last call.

We would love to bring our show to you! You will love the Voodoo we do!
